

**RV Park**

A sincere THANK YOU to all that attended our grand opening BBQ on Tuesday, October 6<sup>th</sup>. We greatly appreciate the donation made by the family of Chris Coutts which was used to purchase some of the lovely trees you see at the Park. A plaque will be put up in his honor. Thank you as well to John Brooks of FW Cobs Loreburn Grains for the generous donation and Enbridge Pipelines too – and to everyone that helped in one way or another to make this a reality!

**Loreburn Rink – Ice Cash Auction**

Huge thank you to the community and surrounding communities for coming together and supporting the rink here in Loreburn! Fun was had by all and the fish races were second to none! This event will ensure the rink keeps going strong for many more years.

**Boulevard Parking**

Please do not park any machinery, vehicles or campers on the boulevard/grassy area beside the street. This makes it much more difficult for snow removal in the winter and mowing in the summer.

**Snow Removal**

Please note that there is no set snow removal schedule. Large amounts of snow will be dealt with as soon as possible. Please keep your sidewalk clear as best as possible and please do not shovel snow from your property out on to the street. We thank area residents in advance for their efforts during the winter months.

**40 Yard Waste Disposal Area & Transfer Station**

Reminder that the 40 yard waste bin area is only open on Saturdays from 9 am to 12 pm. \$10 per single item or \$40 for a truckload. Key for the Transfer Station is available at the office: burnable lumber, tree branches and grass are the only allowable items.

**Spring Ratepayers Meeting**

Please watch for details in the Spring. Please let Brandy know if there are certain items/topics that you want discussed.
