

VILLAGE OF LOREBURN
NEWSLETTER FOR RATEPAYERS

After a lengthy review and discussion of our waste and recycle practices/costs, the Village of Loreburn must raise the cost of Waste on your monthly utility billing from \$20 to \$25 per month. The raise is due to the rising costs to have Loraas provide these services. We will also now be charged for ALL waste and recycle bins that we have in the Village, so if you currently have your waste & recycle bins in storage - you will now be charged each month - whether they are picked up or not. All residents are required to have a bin as per the agreement to have the service in the first place.

FYI: Village of Loreburn Bylaw #3-2012 (A BYLAW OF THE VILLAGE OF LOREBURN TO FIX THE RATES TO BE CHARGED FOR THE USE AND CONSUMPTION OF WATER AND TO FIX THE RATES TO BE CHARGED BY WAY OF SERVICE CHARGE FOR THE USE OF SEWER) states that as long as your water is turned ON, you will be charged the minimum rate whether or not any water is consumed. If your water is OFF, you will not be charged for water, only sewer, however there is \$100 connect fee to have your water turned ON and then a \$100 disconnect fee to have your water turned OFF.

The Village of Loreburn now has a website! Please look us up at:

www.villageofloreburn.ca

This website is still under construction...

However, the COMMUNITY CALENDAR is working! Please send all your events, etc. to Brandy at the Village Office at www.villageofloreburn@yourlink.ca and it will be added to the Calendar.

Some of the events that are on the calendar are: weekly waste/recycle pickup dates, hockey games, soccer registration night, school sports events, school events, and so much more!

Thank you so much

Village of Loreburn Council
